

Mama lernt Deutsch:

German courses for Mums - Courses for the school year 2022/23

For Ingolstadt residents

Would you like to learn or improve your German so that you can communicate better in daily life? If so, you should enroll in a German course specific for mothers. In this course you will learn words and sentences which will help you with everyday tasks such as speaking to Kindergarten, Preschool and/or School Teachers or Children's Doctors.

Beginners courses (including child care), only for Ingolstadt residents:

Please contact the vhs for registration and payment.
